Subject: NABCB Accreditation in accordance with ISO/IEC 17020:2012

Dear Sir,

We are pleased to inform you that **GeoChem Laboratories Pvt. Ltd., Mumbai** has been granted accreditation based on the Initial Assessment carried out by NABCB as Type-A Inspection Body in accordance with the standard ISO/IEC 17020:2012 for the Scope of Accreditation as stated in Schedule – I of the accreditation certificate enclosed herewith.

NABCB accreditation granted to you is effective from 01 November 2017 until 31 October 2020 vide Certificate No. IB 042. Within the scope accredited, you would be expected to issue inspection reports / certificates bearing NABCB Accreditation Mark only for the technical areas in which you have demonstrated competence.

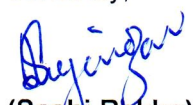

First surveillance assessment shall be due in July 2018 in accordance with ISO/IEC 17020:2012 to verify that you continue to comply with the requirements for accreditation and also to review the effectiveness of corrective actions taken on the non-conformities observed during the initial assessment.

You are obliged to inform us of any significant changes in the organization, operations, key personnel and documentation including sub-contracting which may have a bearing on the inspections being carried out or the inspection certificates / reports issued. You are also required to inform us of any operations outside India.

Kindly refer to the NABCB Policy document on the Use of Accreditation Mark. Please note that the NABCB policy permits use of only one accreditation mark on the inspection certificate / report issued by you to your clients. The e-version of NABCB logo shall be mailed to you separately upon request. Please submit a copy of your inspection certificate and report for our approval and records.

We hope that you will maintain the standard of inspection, particularly with NABCB accreditation, in accordance with the criteria and guidelines that have been issued by NABCB.

Sincerely,

(Sashi Rekha)
Director
